PRODUCT OVERVIEW

# Overview

## Upright display cabinet for wine

Glee Glass Winery is the upright display cabinet dedicated to wine.

The new vertical cabinet completes Glee Glass range.

Main target is to attract the customer attention on the merchandising thanks to the elegant shapes.

Big attention to detail visible thanks to the various features:

- Specific temperature range for wine product
- Design is combined with technology, forming a combination that highlights the product inside

Glee Glass is born to enhance the products inside it with a touch of class.

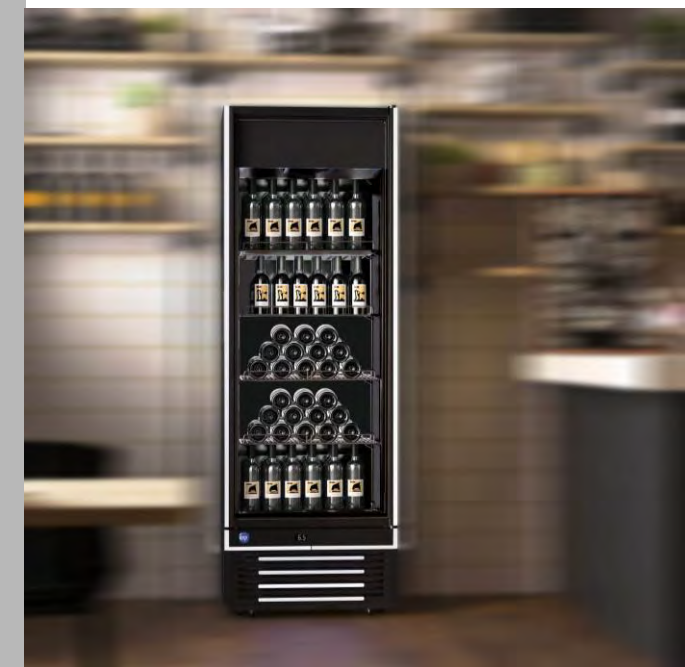

This model perfectly blends several of the main features of IARP and combines technological refrigeration solutions with design and attention to detail.
